The Board of Managers present their compliments to the Ladies for the interest they teak in this and all their departments of the Fair, and regret, that for reasons stated at the conclusion of this report, they were unable to pay more discretionary premiums; but say, that this department and others in which the indies were exhibitors were creditable to themselves and the countries.

The American supplements has been totally lost near Vernetia.

Later dates from India have been received at London, by telegraph, from the overland mail. The Calcutta dates are to the 10th, and from Bombay to the 17th of September.

The siege train was expected to reach ment and others in which the statics were existing, were creditable to themselves and the county. There may be some errors and omissions in this and other departments where ladies are exhibitors, but as sadies are of a forgiving disposition, we hope there will not be any complaint.
